

WESTCHESTER ORATORIO SOCIETY

Singing Brings People Together. We invite you to sing with us.

Now in our 27th Season, Westchester Oratorio Society, under the direction of David Štech, seeks potential new singers in all voice parts as we continue to rebuild our culturally important and recreational organization. If you love to sing and would like to join with a diverse community of people to bring rich choral music to Westchester County, then come and experience the joy and camaraderie of making music together. We have two concerts a year with professional musicians and soloists. The ability to sight read is not required.
